

## Rochester Museum & Science Center Donor Privacy Policy

Rochester Museum & Science Center is committed to respecting the privacy of our donors. This Donor Privacy Policy pertains to all donors who give to the RMSC through any method of payment, including donations made online. All information concerning donors or prospective donors, including their names, addresses and telephone numbers, the names of their beneficiaries, the amount of their gift, etc., shall be kept strictly confidential by RMSC, its staff, Board of Trustees, and volunteers unless permission is obtained from donors to release such information. Any information shared internally will be on a *need-to-know* basis only.

We use industry standard safeguards to protect our donors' information. RMSC will not sell, share, or trade any donor information with any other entity unless permission has been granted by the donor.

Donors may be included on mailing lists for RMSC publications and invitations per the terms of their pledge or gift agreement. Those who do not wish to be included on a mailing list should contact the organization to have their names removed. The RMSC will not send mailings to our donors on behalf of other organizations, unless a donor has requested or given us specific permission to do so.

RMSC uses third-party service providers that assist with processing and managing donor data. Our service providers are bound by strict confidentiality rules. To the extent that any donations are processed through a third-party service provider, our donor's information will only be used for purposes necessary to process the donation.
